Survey Camp at Charar-i-Sharief

Date of Event : 2 - 4 November 2023

Organized by : Civil Engineering Department

Conducted for : Diploma V Sem.

Venue : Charar-i-Sharief (District Budgam J&K)

A survey camp were conducted for students of III year Diploma Civil Engineering Department from 2 -4 November 2023 at Charar-i-Sharief, nearly 8 Kms. away from campus. In the camp, 36 students participated and were accompanied by 3 faculty members. Main motive for this camp was to make students familiar with the field work, which is of prime importance for their overall understanding, to make them understand difference between theoretical and practical work and difficulties arising during field work. Before leaving the campus, students were briefed about the entire site and the work to be performed, by respected Incharge Civil Engineering Department, Er Moomina. The bus was flaged off to the destination by worthy principal GPC Budgam Dr. Shafquat Ara, and she said that this camp was aimed to groom Civil Engineering students with essential knowledge and exposure to the real work, and to encourage leadership and teamwork skills. The three days camp was divided into three groups and one group leader was deputed for smooth conduction along-with one faculty member in various surveying exercises - including Fly Leveling, Compass Surveying, Plan Table Surveying, Plotting of L-Section and X-Section and Contouring and on third day. Each group was given specific task and based on this they were given required instruments. It was an exciting experience and students utilized the opportunity to grab the maximum knowledge, which also made them understand the perfect application of surveying on field.

The faculty and students worked hard for the successful conduct of Survey camp. In the camp all the students learnt all the technical aspect which is required in Surveying.
